№	Host	Host town	Status	Join	Join town	Map	Game data
1.	Shnurov	Necropolis (green)	lose	<b>Mordaunt</b>	Necropolis (orange)	PowerSpot	1w6d
<b>Mordaunt comment:</b> Unexpected strike out. Shnurov choses Powerspot instead of circle. He chooses death to my random. I restart my life and he does not restart death v death. Start very lucky for me: Every stack on route to 3rd town (through lev 3 vamp dwelling) is a joiner. Including 2 ghost stacks (2 lev 2 dwells also ghosts!). 3 Venoms from market and 3! (gm diplo) venoms from town join. Town on day 3 and also GM diplo day 3! Army got HUGE. Good luck to Shnurov.
