1.	Shnurov	Necropolis (blue)	won	Vip.ru	Necropolis (red)	Circle of Life	3w7d
Shnurov comment: It was strange game. I bought the Lord instead of the Mage hero in the second town. But this hero helped me to win final fight by a cloud of confusion. Thanks to Vip.ru for the game.							
2.	Mnc	Asylum (blue)	tech. won	T.T.	Haven (red)	Heart of Winter	3w1d
T.T. comment: I can't finish the game.							
3.	Al-Farabi	Academy (green)	lose	Mordaunt	Academy (orange)	Power Spot	3w1d
Mordaunt comment: Easy but slow start. Many nature/chaos stacks (that will not join). Expert diplomacy until the end of the game would have made it hard for other towns, but with academy it doesn't matter as genies/mage combo makes the neutral clearing easy. I don't risk or rush, market 1 2 2, middle 1 2 4. Opponent had hard time on his side and I attack his side on 1 2 7, easy final on 1 3 1.							
4.	CTPAHHuK	Necropolis (red)	won	NegusLeJusticier	Necropolis (blue)	Heart of Winter	2w4d
CTPAHHuK comment: Good game on my side. Dark champions dwelling made my game easy. Negus suicide on gold mine. Thx for the game, gl next ;)
