2.	T.T.	town (color)	tech. lose	Al-Farabi	town (color)	map	-w-d
<i>CTPAHHuK comment:</i> T.T. off-line.							
3.	Vip.ru	Necropolis (red)	lose	Mordaunt	Haven (blue)	Spleen	3w5d
<i>Mordaunt comment:</i> Very hard draw for me - life with catas (restart used unwisely), while opponent has devil dwell. Got fire shield just before megadrag fight and that carried me through out the game. Tough and long fights, but robe of guardian as my relic. Towngate allowed me to return and learn spells quickly and break center on 1 3 1. Final (on 1 3 5) was quick thanks to berserk and big defense on heroes.							
4.	CTPAHHuK	town (color)	tech. win	LordZezuk	town (color)	map	-w-d
<i>CTPAHHuK comment:</i> LordZezuk off-line.
