CTPAHHuK comment: I got good side with much Black dragons and Efrites. May be join several Hydras at second week. GM Demonologist can be ready at 19 lvl. Very good first 3 days of my game: fast Master Diplo, fast Expert Patch hero and big army. But wrong fight vs Goblins on gloves made my Ninja died. And suicide after it on guardians of top town. Shnurov started very fast and strong. It was his game.

3rd place game
