IMPORTANT: to make every turn save to have arguments if any questions will follow.

IMPORTANT: to make saves each round in fight with opponent (the same reason).

FORBIDDEN: to use any bugs of game, deliberately or unintentionally; block all exits from sanctuary or opponents town on the adventure map; if you aren't sure whether some action is "use of a bug", then better previously consult at judges; use of bugs of game is punished by loss in party.

IMPORTANT: there could be a stalemate situation during player vs. player battles; for example: 10imps vs. 100 zombies, nobody can win such battle; then attacker should retreat or surrender; if Shackles of War is present then this battle should be finished in autocombat mode

FORBIDDEN: to play too long battles (battles, which severely increase overall game length); any player can send a complaint to any referee for a lot of opponent's delays; such complaint should contain saves; for example: 1 sprite vs. 100 ogres, such battles will be won anyway but too long (ATTENTION: this rule doesn't concern of player vs. player battles).
